

JD4141A

Light-duty Economical
Unidirectional Filament Tape

Description:

JD4141A is an economical general purpose clear fiberglass-reinforced tape with a synthetic rubber resin adhesive, ideal for light duty strapping, bundling and reinforcing. Our synthetic rubber resin adhesive provides good adhesion to most fiberboard surfaces, and a

Features:

- Abrasion and moisture resistant.
- High tensile strength.
- Good shear and initial adhesion.
- Protection of filaments and adhesive to provide longer package life.
- Less tape needed at lower cost for applications where high tensile strength is a main requirement.
- Good holding under wide range of application conditions with minimum amount of tape.
- Boxes remain closed for long period of

Application:

- Bundling and palletizing
- Carton sealing
- Transport securing
- Fixing
- End-tapping
